Sponsor and Financial Commitment

Participants in the Program at His Oaks need a sponsor(s) who will provide for his financial needs. It is our belief that the men coming into the program are investing in their futures. The ministry requests that a Participant commit to the initial intake funds and the monthly support. He is also responsible for any and all medical expenses or medications needed during his stay in the program. (Potential participants are encouraged to work on establishing support. It can be a combination of sources e.g. friends, church, family)

The following is a list of responsibilities His Oaks needs a sponsor to assume on behalf of the participant in the program:

1. Encouragement through correspondence and/or telephone calls.
2. Medical: A participant in the program is responsible all personal medical expenses. This includes doctors' visits, medication, and transportation costs.
3. Travel: A participant **must** maintain funds enough for travel fare to the original point of departure or a place of his choosing. A participant might be asked to leave (or will choose to leave) the program prematurely. Depending on the circumstances, plans for departure could be initiated immediately and processed the same day. A plan must be agreed upon at intake.
4. Initial funds: The following is the breakdown of initial funds needed to be at His Oaks prior to intake: (His Oaks Ministry must approve Exceptions to this requirement.)

Initial non-refundable investment - \$550

Breakdown:

\$50 for initial books and assessments

\$500 goes to the "house"

Travel funds – if/as needed or ability to pay for travel

Make checks out to the participant for his general expense fund.

Make checks out to His Oaks Ministry for the participation fee.

5. Continued Financial investment: A participant needs the following due on the first of each month following intake.

6. \$500 for a non-refundable "participation fee."

The ministry monitors participant finances. The participant or sponsor is responsible for setting up a debit card account with a bank. The ministry will hold the card if deemed necessary or if requested by a sponsor.

I, _____ declare that I have read the above requirements for sponsorship, and I am in agreement with them.

I agree to sponsor _____ while he is enrolled in the program at His Oaks Ministry.

Relation to applicant: _____

Signature: _____ Date: _____

Address:

City/State: _____ Zip: _____
